

## Competitive Procurement for Family Support/Family Preservation Services

As a pass-through recipient of state and federal funding, Communities Connected for Kids complies with and follows the federal guidance of 2 CFR Part 200 and the state guidelines outlined in Florida Statutes 287 and 215, and Florida Administrative Code 60A -1 for the purchase of goods and services necessary to meet contractual requirements and conduct operational functions, via CCKids' Purchasing and Procurement Policies 701 and 702.

At this time, CCKids is actively procuring the following service for Florida Circuit 19: **Family Support/Family Preservation Services.**
